DAY USE GUESTS & VISITORS

If you are camping with us and would like to invite family/friends to visit, please be aware that visitor fees apply and let your guests know ahead of time.

Rate varies depending on visitors age, time of season, and amenities.

These visitor fees grant a resort band allowing entry onto Stoney Creek Property and depending on which resort band is purchased, may grant use of our basic amenities including swimming pond, beach, WIBIT inflatables, pool, jumping pillow, playground, basketball, volleyball, gagaball, and skatepark (when in season). These guests also have the option to buy a VIC wristband (mini golf and laser tag) for an additional cost.

The campground's facilities can only handle so many people at a time. It isn't that we don't want visitors. On the contrary, we love you to invite people to come and visit. We love to have people see and enjoy our park. However, additional people place an extra burden on our facilities and staff. There are additional expenses such as toilet tissue, paper towels, cleaning supplies, attendant labor, garbage, plus the use of our equipment, roads, and limited parking spaces. We have to recoup those costs. Please take responsibility for your guests. Campsites with unregistered guests will be charged and/or removed from the property. See our website for a full list of policies.

Resort Bands- All persons on Stoney Creek property must have a registered Stoney Creek Resort Band on at all times. These resort bands will help with the safety and security of our park. This band will grant you access to be on park property and use our basic, included amenities. VIC wristbands are an optional wristband, sold separately, for unlimited mini golf and laser tag (see wristband page for details).

Guests on property without a resort band will be subject to removal from the property.

All fees and policies are subject to change.

FAQs

Do I have to wear a resort band?

We require all persons (age 4+) on Stoney Creek property must have a registered Stoney Creek Resort Band on at all times. These resort bands will help with the safety and security of our park. This band will grant you access to be on park property and use our included amenities: Swimming pond/beach and WIBIT inflatables (during season), regular & kiddie pool (during season), jumping pillow, Gagaball, horseshoe, bean bag, playground, basketball court, volleyball court, skatepark, fishing pond. The resort band will also grant you access to attend and/or participate in our scheduled activities. For the safety of our guests and security of our park, guests without a resort band will be removed from the property.

Can we bring Firewood into the campground?

We do not allow scrap wood, pallets, or building wood to be burned in our firepits. As far as firewood goes, the Wisconsin DNR has several restrictions on firewood transportation within the state. If your firewood is within Trempealeau county or 10 miles of the campground, it may be brought into the campground. Please see the DNR website for full details on firewood transportation. There is firewood available for purchase at our main office.

Do we need to wear a life vest at the new swimming pond?

YES! For the safety of our guests, we highly recommend life vests for everyone at our swimming features. Children should be supervised by an adult at all times. There is NO life guards on duty at the pool or pond. We will have a limited number of life vests available for our guests to use at no cost. Do not rely on our life vests for your stay, please pack your own.

What is your pet policy?

RV & Tent campers are welcome to bring their pets camping with them. Rental Unit Campers cannot bring pets. Service animals are welcome. No aggressive animals are permitted. Please keep your pet on a leash and under your control at all times. They should not be left unattended. Please clean up after your pet immediately and dispose of the waste in a garbage/dumpster; do not put it in a fire pit. Pets are not allowed inside any building, Morey's Oasis (swimming pond/beach/wibits), pool area, playground, mini golf, or jumping pillow.
